COPIES TO:

Dave:

We changed our mind on the attached Request for Action file #3156, and now want an ordinance on it. Could you have one drawn up please.

On the attached Resolution, the Fire Department erred. The accounts to which the transferred funds are to be deposited are 74-2-241 and 74-3-363 respectively, rather than account control no. 73. In other words, the money is going from the Fire Department to the Civil Defense Department, necessitating an ordinance rather than a resolution. Can you take care of this also please.

Many thanks.

Directions -- Departments requesting transfer of funds from one account to another, or for the appropriation of funds from the unexpended balance of the General Fund must fill out this form in duplicate, and send both the original and one copy to the Controller's Office. It is suggested that a third copy be made and retained by the department originating the request. The Controller's office will retain one copy of the form and send the other to the City Attorney which will be his authorization to prepare the appropriation ordinance. Please send the request for transfer of funds to the Controller as early as possible, and at least one week should be allowed for the City Attorney to prepare the appropriation ordinance and the City Clerk to enroll it for the next Council meeting.
